ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The City of Wichita Falls, Texas operates the Section 8 Rental Assistance program completely separate from the Public Housing Authority. The elected members of the Wichita Falls City Council and the appointed City Manager serve as the Board of Directors for this agency. The Housing Division is a part of the Community Development Department, and is the same agency that administers the Section 8, HOME and the Community Development Block Grant programs. It develops both the Consolidated Plan and the PHA Plan.

This agency, as do all Section 8 only PHAs, is required to submit a streamlined plan that addresses only selected parts of the full plan, without being required to complete those items that pertain only to Public Housing Authorities that operate low rent housing developments. We have not received or lost any vouchers in the past year, we remain with 710 vouchers. Based on information provided by HUD the PHA can expect to have all expiring voucher renewed at about the same level as current funding. With no change in the amounts or levels of assistance, our needs are the same as they were during the first year. The agency is currently investigating the new Section 8 Homeownership Program and will be acting on that program during this year. Other than the introduction and implementation of the Lead Based Hazards regulations, no other major changes have occurred from HUD that affect the operation of the Section 8 program.

At the April 18, 2001 meeting of the resident Advisory Board the following comments were made:

a) **Requested that the PHA reexamine the number of persons in each bedroom size. Wanted each non-infant person in the household to have their own bedroom. Response- This is not a PHA Plan item, except that movement of smaller families into the next larger unit so that all residents have their own room would greatly decrease the number of families assisted by the limited funds.**

- b) Requested that the PHA consider providing tenants information on landlords that have a history of causing tenants problems. Response: This could cause major problems as each claim by a tenant of mistreatment by a landlord would have to be investigated prior to providing this type of information. This is also a matter for review for the Admin Plan.
- c) Requested that the City utilize abandoned properties for additional rental units. Response: The units are privately owned properties and the City (Housing Division) has no control over privately owner property.
- d) Statement that we need to brief tenants to keep receipts from landlords for rent and utilities. Response: Staff does this at lease up and re-certifications.

A Public Meeting was held May 29, 2001. The Final Public Hearing was conducted June 19, 2001, where the City Council acting as our Board of Directors approved the plan. See Attachment A. There were no comments at either presentation.

TENANT NAME

TENANT ADDRESS

TENANT City State and Zip

Dear Section 8 Tenant:

Your name has been selected, at random, from the Housing Division's databases. You are requested to serve on our Resident Advisory Board and assist the Housing Division staff in the review and development of the 2001-2002 Annual Action Plan to our Public Housing Agency (PHA) Plan. This PHA plan looks at the current and future housing needs for Wichita Falls and the surrounding area. The Action Plan looks at what steps the PHA plans to perform during the coming program year to improve the range of choices and the availability for rental housing for lower income families.

We will hold a meeting, of about one hour, on Wednesday April 18, 2001, at 10:30 AM. This meeting will be in the conference room of the Housing Division office, room 301, Memorial Auditorium, 1300 Seventh Street, Wichita Falls, Texas.

Direct input from you, the people served by the program, is important and your input to the plan would be helpful. The Action Plan is a review of current operations and will look at a number of items that the Housing Division is permitted to change. How families are taken from the Waiting List to be assisted is one of the items for review. Should we have preferences to aid some families early than other families, based on need? Should the PHA increase the current Payment Standard? This action could help increase the percentage of families finding units, but could reduce the overall numbers of families aided; this must be done within the limited funds available from HUD.

After consulting with this group, the proposed Action Plan will be refined and presented for approval by the City Council at a public hearing to be held during the regular City Council meeting on June 19, 2001.

Copies of the current plans are available for your review at the Housing Office. We welcome any input or suggestions you may have.

Please call 761-7454 to let us know if you plan to attend so that we may have the correct facilities available for the meeting. If you have any questions, please feel free to call us at the same number.

Definition of Substantial Deviation and Significant Amendment or Modification

During the PHAs Plan's five-year period, there may be adjustments, refinements or changes that indicate a need to modify the Plan. Some changes are minor and can be completed by staff actions alone, while others are substantial. Those classed as substantial will require input from the Resident Advisory Board and the general public during Public Hearing(s) and have City Council approval, acting as the PHA's governing board, during a open public meeting. The development of any amended activities will usually permit the City Council to conduct only one public hearing. The City will allow a 45-day period for public review after Council approval. During the review process staff will review all public comments and act on those comment before submitting the amendment to HUD for approval.

HUD requires (24 CFR 9.7(r)) that the City develop and include in the PHA Plan what criteria it will use to determine if additions, deletions or administrative adjustments are a Substantial Deviation, Significant Amendment or Modification Change and will require an Amendment. The criteria is contained below:

- Any changes to an activity that was in approved PHA Plan will now not be implemented, existing programs that will be terminated, an activity that will have to be modified because of a reduction in funding level that will alter the purpose, scope, or change the number of beneficiaries of that project by more than 10%;or
- Any changes required by Federal laws, regulations, and guidelines that will add new programs, eliminate old programs, that change or restrict eligibility for a class or group of beneficiaries as stated in the previously approved program.
- Any local changes to occupancy policies, admission policies, or the organization and operation of the waiting list not required by regulatory changes from HUD

Changes that are not considered a substantial deviation, significant amendment or modification, are those changes that:

- Are not classed as a substantial change in the definitions above; AND
- Involve the transfers of funds from one accounting classification, other than Housing Assistance Payments account, to another. Examples of this would be the transfer of funds from postage expenses to travel expenses, adjustment from one fringe benefit account to another, or movement from equipment maintenance to equipment purchase; or
- Changes in income limits, Fair Market Rents and Payment Standards, methods of rent calculations, or other regulatory changes required by HUD and adopted by the PHA where there is no discretion on the part of the PHA; or
- *Changes that only affect local administrative procedures or guidelines. Most of these changes are the type that would be included in the Administration Plan and will be subject to that document's public review and board approval process*
